

carol singing 2020

!!! Pre-registration required this year !!!!!

REGISTRATION no later than 17.12.2019

Since we do not have enough children and young people available for the carol singers campaign, we will not be able to visit all the houses in our village next January.

On 4 January 2020, we will only visit those residents who have registered with us beforehand.

Please register in advance in writing, by telephone, by e-mail or by whatsapp, if you wish a visit of the star singers on 4 January 2020.

We are looking forward to many registrations and wish you and your families a peaceful pre-Christmas season, happy holidays and a good start into the new year.

Best regards

Your carol singers team Kottweiler-Schwanden
